

## PRESIDENT'S LETTER

Frank Townend

Dear Classmates:

As many of you know, Curly Marsh and I (both Andover '29) were elected Vice-President and President of the Class for the next five years, we hope. Chip Green is our new Treasurer, but Bill Hewson will stay on as Treasurer of our Charitable Trust. Art Moody continues as our Secretary.

The Reunion went off well although we missed a few at the last moment. Naomi Reik had a delightful piano concert for us and Bill Lafean, Art Meigs, and Paul Campbell were crazy enough to go out in a 4-oared shell with Bob Ficke as coxswain. See photo on page 20.

For the near future, the only definite plan is for the Harvard game at Cambridge on the weekend of October 23rd. Tom Ballantine is getting a boat for us for the usual trip up the Charles from the Sonesta. You will get details later, but if you can, please plan for that weekend.

Other mini-reunions for the class are now open for suggestions. Possibilities are: Colorado Springs, Skytop in the Poconos, the Greenbriar in West Virginia, the Tides Inn in Virginia, and possibly somewhere in Florida. Many of us have enjoyed those places and we want to hear from you.

I have been thinking about rearranging our Regional Chairmen so that each of them, without too much in telephone charges, will be able to work out some personal contact, particularly with some of our classmates whom we do not get to see. This is particularly appropriate for the application of our 1933 Charitable Trust. It is my hope that we can do something better in this area.

Please check your address and telephone number in the Directory that you received in May. We tried to pick up corrections for that Directory at the Reunion but don't seem to have any. In my own case, for instance, our business number was omitted, 717-823-5181, and I am usually there from 9:30 to 6:00. Please send any corrections to me or Chip Green. I expect that we will get an insert for us to keep with the Directory.

I suppose I should emphasize that I feel we are open to suggestions. The other Officers and I will be glad to hear from you.

Frank

*Our new president and Lenchen at our 60th looking forward with confidence to the next five years.*
