## April 2003

### Friday, April 4th – PANE at José Mateo's Ballet Theatre — *New Dances*

New Dances offers a new format for experiencing ballet with intimate table seating, cocktails served during the show, and an uncommonly close-up view of the dancers at the glorious 5,000 square foot Sanctuary Theatre, José Mateo's Ballet Theatre's new performance venue in Cambridge. Choreographed by Artistic Director José Mateo '74, the program of four ballets offers the only opportunity for Boston audiences to see new classical ballet. Each work was customized for the uniquely expansive Sanctuary Theatre for an intimate experience unlike any other in dance performance. Recently named one of *Dance Magazine's* "25 to Watch", an annual listing of the top 25 newsmakers on the national dance scene, José Mateo has created an entire repertory of contemporary ballets in a classical style. José was also recently profiled in PAW. Two Princetonians are assisting José at the Ballet Theatre — Brad Bellows '74 is the architect for the dramatic renovation of the Sanctuary Theatre, and Rick Shea '73 is a Trustee.

The Ballet Theatre has set aside a limited number of seats for the April 4th 8:00 p.m. performance of *New Dances* for PANE members. This performance will be followed by a reception in the Sanctuary Theatre providing an opportunity to meet José and members of the company, as well as to socialize with fellow alumni. If you would like to purchase tickets, (\$28 for each seat), please call the Ballet Theatre at 617-354-7467 and identify yourself as a PANE member. Please reserve early since tickets are very limited.

*New Dances* at José Mateo's Ballet Theatre is performed in Cambridge at the Sanctuary Theatre on 400 Harvard Street (next to The Inn at Harvard). Additional information can be obtained from its website at [www.ballettheatre.org](http://www.ballettheatre.org). Any questions may be directed to Rick Shea at [rshea@variagenics.com](mailto:rshea@variagenics.com) or at 617-588-5354.

### Monday, April 14th – PANE Book Club Meeting: *Ballpark Blues* by C.W. "Wes" Tooke '98

For the April 14 meeting, we will be reading *BALLPARK BLUES* by C.W. "Wes" Tooke, Class of 1998. We have the unique opportunity to meet the author, as he will be attending the meeting. We will meet at Borders bookstore at 10 - 24 School Street, Boston, from 7 - 8:30 p.m. We meet in a room on the first floor, in the back section of the store, to the left of the Customer Service desk. This book is a new release and should arrive on March 25 at the Borders where we have our meetings. For additional information, please contact Melissa Markley '96 ([melissamarkley@yahoo.com](mailto:melissamarkley@yahoo.com), 617 951-5691).

### Saturday, April 19th – *Dance by Design* by Valerie Weiss '95

*Dance by Design*, a film by Valerie Weiss '95 (2002, 55 min.). Struggling to balance her professional development with her artistic yearnings, Angela decides to move to New York City to pursue a career in dance after graduating from architecture school. However, as she works on her thesis project and falls in love with a design professor, Angela is drawn to the security and the status of her academic discipline. In the end, she alone must make the decision of her life: to design for a living or to live to dance.

At the Museum of Fine Arts, 465 Huntington Ave., Boston on Saturday, April 19, 2003, at 11 a.m. Q & A with director Valerie Weiss, cast, and crew to follow screening. A dance performance choreographed by Honey Blonder and Melissa Costa precedes the screening. Tickets are \$8 for MFA members, seniors, and students; \$9 for general admission.

**IMPORTANT:** Here is a chance to dump on your “not-so-favorite” school. The comedians need some fuel for their act. Tell them what you think about the other schools, especially some little-known trivia. For example, Harvard is known for its many prestigious alumni – such as the Unabomber. And at Cornell you can get credit for a course in wine-tasting! What do you want the comedians to know? (Feel free to rank on your own school!)

The Boston Area's Ivy Plus Alumni Association Member Schools are:

*Brown • Columbia • Cornell • Dartmouth • Duke • Harvard • Johns Hopkins • MIT • Penn • Princeton • Stanford • Yale*

## Book Club

Melissa Markley '96 (melissamarkley@yahoo.com, 617 951-5691) organizes the PANE Book Club. Meetings are held monthly, with a different volunteer moderator leading each session. The books in the past include "The Human Stain" by Philip Roth, "Ficciones" by Jorge Luis Borges, and "White Teeth" by Zadie Smith.

Meetings are held 7:00 p.m. - 8:30 p.m. at the Borders book store on the corner of Washington St. and School St. in Boston (near Park Street T Stop). Contact Melissa or check the PANE website for dates and books.

## Tennis League

The tennis league runs spring through fall. The league offers both singles and doubles, and all levels of players are welcome. This is not a competitive league. Instead, each participant is able to play each week against a player of similar ability. Since it is not tournament-style, the league is flexible enough to accommodate busy schedules, vacations, etc. Most matches are held on public courts in Boston and Cambridge, but some are held at members' private clubs in the area. We will also schedule several get-togethers so people can meet one another. To join the tennis league, send Waleed Meleis '90 (meleis@ece.neu.edu) your name and contact e-mail address.

## Basketball League

Calling all hoopsters!!! PANE is organizing a co-ed team to play in a winter basketball league at Basketball City. They have a modern facility located in downtown Boston which features full hardwood courts, scoreboards, referees, and locker rooms. The team is open to players of all abilities, with games played once a week on a weekday night for a 10 week season (plus play-offs) beginning in early December. Full stats are kept and tracked on the web — it's a great league program. The cost will be approximately \$120 per person for the season (assuming there are 15 people on the roster).

If you're interested in playing, please contact Jonathan Sills '96 at jsills@proflowers.com to check for the availability of a place on the team.

## Softball League

PANE has an enthusiastic coed softball team which is looking players of all abilities. Games are played June through August in Cambridge and Brookline on Friday evenings. Our competitors are other Ivy League alumni teams. Games are slow pitch with at least 3 women on the field. There are no umps and no called balls and strikes. If you're interested in a fun summer softball team, please contact Betsy Seel '81 at 617-854-8628 or BetsySee@alumni.Princeton.edu.

### Inaugural Princeton NetNight In Boston Tuesday, March 25th, 7:30 p.m.

In the midst of a job search? Considering a career shift? Interested in making more career contacts? Eager to learn how to network effectively? Join us for the kickoff of Boston Princeton Career Networking Night, a.k.a. "NetNight."

**What is NetNights?** Founded in Washington, DC in 2001, Princeton's Alumni NetNights are part of an Alumni Council program designed to create and foster long-term connections between Princetonians with an interest in networking. NetNights offer speakers and guides focused on work-life issues and — most importantly — provide regular, extensive opportunities to network.

**When and where is it?** The first Boston NetNight will be held on Tuesday, March 25 at 7:30 p.m. Thanks to gracious contributions by Hale and Dorr, we have managed to secure a convenient location for all to attend: 60 State Street, Boston.

**Speaker** Pam Lassiter, a 20-year veteran of the career management industry and author of the book *The New Job Security*. Pam is the Principal of Lassiter Consulting, a nationwide private practice firm that consults with companies and individuals on career management services and systems, and the New England Director of ExecuNet, which provides networking meetings for working executives with high compensation levels (above 100K). At our Net Night, Pam will not only be advising alums in transition, but also those looking to extend and enrich their networks.

**How do I ensure a spot?** RSVP to Geraldine Alias '00 (geraldine@battery.com).

Whether you are in need of networking with fellow alums to help in a career transition or are looking to begin conversations that will lead to life-long relationships, we hope to see you at the first Boston NetNight!

Sincerely,  
Your Boston NetNight Chairs,  
Dan O'Malley '00 & Geraldine Alias '00

## Alumni Schools Committee

The Alumni Schools Committee seeks to interview all Princeton applications from the greater Boston area and is currently completing interviews for applicants to the Class of 2007. Regular decision results will be mailed in early April, and a reception, co-sponsored with the Parents' Committee, for admitted students will be held in mid-April. While work for this year is nearly complete, the committee is anxious to hear from alumni who would like to interview applicants next year for the Class of 2008. ASC work is a great way to help the University, stay in touch with Princeton, and assure that Eastern Massachusetts continues to send a strong, talented, enthusiastic, and diverse group off to Princeton. Interviewing takes place from October through early March. Last year, we interviewed nearly all the candidates, with more than 389 interview reports submitted. 59 applicants were accepted, of whom over 40 were accepted Early Decision. The Class of 2007 Early Decision candidates have already been interviewed and mailed; the ASC will now be concentrating on the regular decision candidates. If you are interested, please contact the Boston Area Chair, Claire Hertan '83 (617-332-5387, [cthurley@alumni.princeton.edu](mailto:cthurley@alumni.princeton.edu)), for more information.

## Continuing Education

PANE's Continuing Education Seminar Programs are a series of three Sunday-afternoon meetings in the Boston area for PANE members to discuss a subject with a Princeton professor, alum, or graduate student. We try to schedule the meetings about a month apart. Each meeting lasts about two hours, and is run like a precept. The program is organized by Lex Kelso '71. To get on the mailing list for the program, contact Lex at [lexkelso@alumni.princeton.edu](mailto:lexkelso@alumni.princeton.edu) or 617-876-7606.

## Scholarship Fund

The PANE Scholarship Fund was started in the early 1950's with gifts of well under \$10,000. Through investment performance and continued donations, the fund has grown to a point where over 20 Princeton undergraduates with a connection to New England are helped each year with grants from the fund. In addition, the fund has been used to support graduate students in their research efforts. Financial aid plays a significant role at Princeton, and the PANE is pleased to support a program which enables a need blind undergraduate aid policy. Additional contributions to the PANE Scholarship Fund are appreciated. For additional information, contact John Nagorniak '66 at [jjn@alumni.princeton.edu](mailto:jjn@alumni.princeton.edu) or 508 543 9853.

## Careers Network

Looking for a job? Interested in finding out what your options could be? Let PANE Careers Network help! The Princeton Careers Network is a group of Princetonians connected by an e-mail distribution list and is designed to help people in their careers in a variety of ways. The network can be used to solicit advice if you are thinking about changing jobs, are looking for a job, or if you just want to know more about another field. It can also be used as a network resource if you are job searching.

In addition to providing general assistance to job-seekers, the Careers Network coordinates new initiatives, including organizing career networking events where a small group of alumni with similar interests have the opportunity to sit down with more experienced and established alums who can offer advice and insight on a particular industry.

You can join as few or as many events as you wish. Take advantage of this opportunity by contacting PANE career networking chair Dan Shih '94 at 857-891-2895 or [danshih@alumni.princeton.edu](mailto:danshih@alumni.princeton.edu) to be placed on the mailing list for career networking events. Please provide name, class year, address, e-mail address and phone number. Non-alums are welcome to attend events. Anyone with an interesting perspective who would like to participate on a future panel should also contact Dan.

## Parents' Association

The Parents' Association brings together parents of current students in the Greater Boston area to share in the Princeton experience. We hold activities and programs throughout the year, including:

- September/October Wine and Cheese Party for parents of freshmen and others from the Princeton community.
- Thanksgiving Bus home and back to school for New England area students.
- Help in Parents Phonathon sponsored by the University to request donations from current and past parents.
- April Telethon to prospective students and parents to answer Princeton questions. April reception in or near Boston for all students who have been admitted to the Class of 2004.

## The Princeton/Snowden and Friends Mentoring Program

The Princeton/Snowden and Friends Mentoring Program seeks to help a select group of Boston public high school students determine and achieve their personal goals and boost their appreciation for education and learning.

### Volunteers Needed!

We are seeking mentors and speakers for the 14th year of the Snowden Mentoring Program. Mentors must be available for monthly meetings, from 7:30 - 8:30 a.m., comprised of a group of 4-6 mentors and 10-12 students. One-on-one mentoring and tutoring are encouraged, but are not formally provided. We ask that all mentors dedicate a year to the program and to their students.

Speakers must be willing to speak to a group of 10-25 students for one hour, with mentors in attendance. Anyone who can provide targeted advice or general information on

their careers, hobbies, and other criteria is encouraged to come and present. One-time participation is welcomed at this level.

The Mentoring Program welcomes new ideas and anyone in the community. If our scheduled meetings conflict with your availability, we still want to hear from you! We look forward to the opportunity to talk with you about your participation in or questions about the program. Please contact the Snowden Mentoring Co-Chairs for more information:

The Class of 1992 is hosting Habitat for Humanity service days in 6-8 cities round the country, including Lynn, MA, on May 10. Building on their 10th Reunion service efforts, the class hopes to have an annual Habitat service day each spring, and they would be delighted to have PANE members and friends join them. For more information, please contact Sherry Riva '92 (sherryriva@leschly.com, 617-367-1001).

## Volunteer!

Always wanted to get more involved with Princeton? PANE offers a variety of volunteer opportunities to Princetonians in our region. The time commitment required varies by position, and we are always open to suggestions about ways to expand our programming. Here are some of our current needs:

### Career Networking Coordinator

The Alumni Career Networking Coordinator gets to: (1) organize networking events, (2) maintain the database of people interested in networking and their particular interests, and (3) meet lots of great people in the process. There are a lot of opportunities for growing the network and developing events. Enthusiasm for networking is quite high among area alumni, given the current business environment, so getting attendance has not been a problem! If you are interested in this position, please contact Dan Shih '94 at danshih@alumni.princeton.edu or 857-891-2895 (Note: this is a new number for Dan).

### Newsletter Editor

Create this document twice yearly!

Volunteers are always needed by the Alumni Schools Committee and the Princeton Snowden Mentoring Program. For more information, please contact PANE President Tracy A. Prentiss '89 (prentiss@alumni.Princeton.edu, 978-664-5344).
